Dear Friends,

Thank you, Teamsters Local Union No. 362 for your generous donation in support of the 2<sup>nd</sup> Annual Centre Ice Challenge. Through the support of people and corporations like yours, the hope of having a mentor has been fulfilled for hundreds of children in Calgary and the surrounding communities.

We recognize that there are many worthy organizations asking for your help, and that in difficult economic times, the need increases while resources become ever more scarce. We are especially grateful for your continued commitment to the future of Calgary's youth.

This year we served over 1,600 children and their families, both in the community and in 112 schools in Calgary, Airdrie, High River and Cochrane. This represents an investment of more than 100,700 hours in mentoring activities by our dedicated volunteers - this equals 11.5 years of cumulative volunteer service given. And, because of support like that of the Teamsters Local Union No. 362, we are confident we will continue to bring hope to children and youth throughout our communities through the abundant rewards of mentorship.

Yours truly,

*Thank you!*
