Dear Lance and Bernie,

This letter is to offer another heartfelt Thank you for coming out and providing the stage and PA system once again for our Annual Brianne's Hope for a Miracle Run at the Calgary Girls School on June 18<sup>th</sup>, 2010. This year, the girls and their families raised \$8300.00 which will help a local family with a little girl we met this past spring with a debilitating condition called Polymicrogyria. We will also continue to support the Alberta Children's Hospital Foundation and the Children's Wish Foundation of Canada. Once again, words do not accurately describe the gratitude I feel for all Teamsters does for us each year by providing the stage which has been so helpful in our end of year event at CGS.

Brianne's LEAP of Hope is a registered non-profit company which was founded in 2003 and to date, thanks to gracious Calgarian's and local businesses like Teamsters Union who support our efforts; we have now raised over \$200,000.00 in support of children with life limiting illnesses in the Calgary area.

We thank you again for your generosity and especially for your continued support. Please know we do realize that there are many wonderful causes that rely on local generosity to continue on with their efforts. We do hope that in the future you will consider supporting our cause once again.

Kindest Regards,

Patti Zobot
