Dear Teamsters:

On behalf of the Calgary John Howard Society, I would like to take this opportunity to thank you for your donation. The Calgary John Howard Society is a community-based charitable organization dedicated to reducing the incidence of crime and increasing community safety through preventative and restorative justice practices. To accomplish these ends, we provide:

- Direct services to individuals at risk
- Advocacy for effective responses to crime and the individuals involved
- Education for youth and adults in the community

The goal of the Calgary John Howard Society is to continue to make a difference in reducing crime to create a safer community. With the help of donations from supporters such as you we will continue to see improvements in crime prevention in Calgary.

Thanks again for your generous support of our efforts.

Best wishes,

Brad Marr, CFO
