Thank you for your support of our annual
Spring Thaw show & shine.

We appreciate your assistance as we produce the most
waited-for hobby event every year.

This, our 25th anniversary show was a resounding
success of over 700 vehicles attending and
thousands of spectators.

We are also adding \$366 cash donations and over 700 lbs of food
items to the Calgary Inter-Faith Food Bank this year.

These contributions bring us to over \$31,000.00 in cash and food
donations to the Food Bank over the past years.

None of which would be possible without the attendance from
the hobbyists and the support of sponsors like you.

We appreciate it and look forward to your support again in 2011.

Thanks 362
