Greetings to the Executive Board Members,

I hope you had a wonderful Christmas and that this will be another good year ahead!! We had another successful Christmas Hamper event this year and I want to express to you and to the Teamsters how much we appreciate your help to reach the families in need! As you know we work with some high risk schools in a low income area and the most needy are recommended to us as recipients for the hampers. You have been so generous! Your donation of \$1000 helps us to provide gift cards for groceries for their Christmas meal. Also, a special thank you to Troy Wright from the Teamsters, who worked very hard with us, to provide turkeys and gifts for all the children as well. As you can imagine, this truly helps to make it a special day for these families.

Again I want to thank you for partnering with us each year to provide this opportunity to touch struggling families in the west side of Edmonton. It means so very much!!

God bless you!
