Dear Richard,

On behalf of The Mustard Seed and all those we are able to serve, I would like to thank you for your recent generous donation.

Here at The Mustard Seed we strive to create a place of belonging for people living in poverty; a place where people are known and cared for by name. Many of the people who arrive at our doors are broken, alone and in a state of despair. Thank you for making it possible to not only fill an empty stomach and provide a safe place to spend the night, but for helping to rebuild lives.

Once again, thank you for your commitment to changing lives. Your support allows The Mustard Seed to assist and empower individuals to build community, grow hope, and support change in their lives.

Your partner in changing lives,

Lyall M. Thomson, PhD
Chief Executive Officer

*RICHARD:
