Dear Union 362 Board and Members:

On behalf of our seniors, Board of Directors, staff and volunteers thank you so much for your donation of \$500.00 to be used to provide support to vulnerable, low-income seniors in Edmonton. Please find enclosed a receipt for your donation.

Your support is so needed to fund the work that we do and help as many seniors as we can here in Edmonton especially with those numbers on the rise.

We are especially excited about the potential of forging a new relationship with the Teamsters. Currently we are looking for Board and committee members as well as other people with skills and talents to offer our small non-profit organization. "Many hands make light work". I hope that some of your members in Edmonton, who are passionate about helping seniors, will be interested in volunteering some time with us. These positions are posted on our website: www.seniorsoutreach.com under the VOLUNTEER tab.

Thank you again for your financial support and your interest in what we do.

Yours truly,

Deborah Miville, RSW
Executive Director
