TO: THE OFFICERS AND MEMBERS OF:

General Teamsters, Local Union No.362

RE: **United Way of the Alberta Capital Region 2011 Campaign**

As this year's Campaign Chair, I have had the chance to meet and work with individuals whose commitment to our community is simply overwhelming. This commitment, passion, and enthusiasm makes where we live, so special.

The support shown by unions and organized labour for United Way is nothing short of exceptional! By supporting United Way, you are giving others less fortunate than us, a brighter future to look forward to. Leading by example is something I strongly believe in, and leading is what you and your members are doing.

I would like to thank you and your members for making futures in our community that much brighter. **Your efforts are making a huge difference!**

Thank you for your continued support.

Sincerely,

Dr. Michael B. Percy
