Dear Executive Board of Directors,

Thank you for supporting the Wood's Homes 16th Annual Children's Benefit Dinner. Your commitment to helping vulnerable children, youth and families in our community is appreciated by those who help them, and most importantly, by those who have benefited from our services.

Wood's Homes serves 20,000 children, youth and families every year. As a children's mental health centre, we often hear the word HOPE; a small word yet defining it is no small task. Through your generous support over \$300,000 was raised at the Dinner to provide hope to those children and families that need it most. Funds will support our services ensuring that children and youth have a place to live, learn and feel safe.

Wood's Homes is pleased to be celebrating 100 years in 2014. The work of Wood's Homes, its innovative programs and measurable outcomes is well-recognized across the country as is our mantra: We Never Say No. We Never Give Up. We Never Turn Anyone Away. And yet much of this work would not happen without the support of people like you.

Thank you again for your support. Together we can make a difference.

Sincerely,

Peter Wittig
