

February 18, 2014

Mr. Rick Eichel  
Secretary – Treasurer Board  
Teamsters Local Union No. 362  
1200A 58<sup>th</sup> Avenue SE  
Calgary, AB T2H 2C9

Dear Mr. Eichel:

Thank you for your recent sponsorship of the Canadian Mental Health Association – Calgary Region's 2014 National Bottom Line Conference. Your generous commitment of \$5,000 as a **Silver Sponsor** will help advance workplace mental health across Canada.

One in four of our co-workers, friends and family members are living and working with a mental illness. For nearly 60 years, CMHA – Calgary has been a leader in providing collaborative, empowering and community-based programs and services for Calgarians. One core program, the Workplace Mental Health Program, offers dynamic and award-winning workshops that provide education and increase awareness of mental health issues in the workplace.

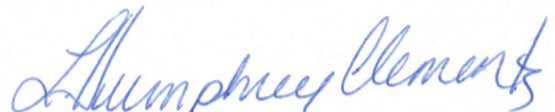

For more than 10 years, the **Bottom Line Conference** has been the national hub for employees and healthcare experts to share and develop skills in mental health management and care. By focusing on skills such as conflict resolution and occupational psychological health and safety, the Bottom Line Conference builds a community of leaders dedicated to fostering healthy and productive workplaces.

Again, thank you for your support. Should you have any questions, please feel free visit us online at [bottomlineconference.ca](http://bottomlineconference.ca) or contact us directly at the number above. Together, we can continue to build stronger and healthier workplaces and communities.

With kindest regards,

Morgan Craig-Broadwith  
Manager, Workplace Mental Health  
CMHA – Calgary Region

Lori Humphrey Clements  
Manager, Fund Development  
CMHA – Calgary Region
